The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

#### HIGH SCHOOL NOTES

By D. B. Gooch

The county teachers' meeting will be held at Cassville this week and the state convention will be held in Kansas City some time in November.

Coach Engleman is putting the football team through its paces in preparation for the game with Aurora at Aurora Friday.

Major George B. Deninham, who was mentioned by Colonel Smith in his lecture Sunday, as being the youngest major and one of the greatest heroes of the war, played next to Prof. Engleman on the football team in Springfield and is one of his most intimate friends.

Arrangements are being made for the annual get-together party which is to be held at the high school Friday night. Its name indicates the purpose of the party for it enables the new members of the faculty to get together and enter into the spirit and activities of the high school.

An elementary teachers' meeting was held at Central school Monday and the teachers made plans for attending the county and state teachers' meetings. Miss Mills, Chairman of the Junior Red Cross, addressed the meeting and talked about the plans for the Junior Red Cross drive, which is to be held in October.

#### CHRONIC CATARRH

Our manner of living makes us very susceptible to colds and a succession of colds causes chronic catarrh a loathsome disease which it is estimated that ninety-five per cent of our adult population are afflicted. If you would avoid chronic catarrh you must avoid colds or having contracted a cold get rid of it as quickly as possible. Chamberlain's Cough Remedy is highly recommended as a cure for colds and can be depended upon.

For the next thirty days, \$10.00 off on any suit made at Whitney's Tailor Shop, 215 Broadway. 71tf

Three Aurora boys had a little game of African golf on the lawn of the Congregational church at that place. The dominoes were galloping at a right lively pace and there was a stake of 11 cents on the play when the "law" appeared. Fines and costs amounted to \$92.40.

#### A GRATEFUL LETTER

It is in trying conditions like that related below by Mrs. Geo. L. North of Naples, N. Y. that proves the worth of Chamberlain's Colic and Diarrhoea Remedy. "Two years ago last summer" she says "our little boy had dysentery. At that time we were living in the country eight miles from a doctor. Our son was taken ill suddenly and was about the sickest child I ever saw. He was in terrible pain all the time and passed from one convulsion into another. I sent my husband for the doctor and after he was gone, thought of a bottle of Chamberlain's Colic and Diarrhoea Remedy in the cupboard. I gave him some of it and he began to improve at once. By the time the doctor arrived he was out of danger."

Your Bedding is More Closely Related to Your Health than Any Other Article of Household Furniture

Your physical resisting powers are at the lowest ebb during sleep, so there is the greatest necessity that your bedding should be absolutely sanitary.

What does it profit a home to have every disease laden particle of dirt and dust swept and scoured from walls, floors, pictures and furniture if the mattresses on which the family sleeps are not just as positively, sanitarially clean?

The absolute cleanliness of Square Brand Mattresses is one especially important point in which they differ from the hundreds of others "just as good."
